Graduate Trainee Program Transaction Banking

Dreaming of a career in Investment Banking?
In Investment Banking, we offer private clients, companies and institutional investors a range of global solutions from a single source.

What does our Transaction Banking at Vontobel offer?

Transaction Banking of Bank Vontobel AG offers banks, financial institutions and professional traders B2B services from one source. The partnership allows clients to further strengthen their offering by focusing on their core competencies and client-related, differentiating activities.

Vontobel's transaction banking can fulfil the need of procuring everything from one source. This reduces complexity in supply management and reduces costs further.

The overall program stretches over a total period of 24 months.

Transaction Banking modules:

- Smart Order Routing
- Algo Trading
- Transaction Cost Analysis
- Project Management
