

This Addendum applies in cases where in Part I Section 2.1 of the Data Processing Agreement, the Parties have selected that the Customer is established in Switzerland.

### **SCC ADDEMDUM FOR SWITZERLAND**

1. The respectively applicable set of EU SCC applies *mutatis mutandis* to data exports by Customer out of Switzerland.
2. The SCC shall be deemed to be amended as follows:
  - (a) References to a “member state” or to the “EU” in the SCCs shall be deemed to include Switzerland.
  - (b) Where an international transfer of Customer Data is subject to any law that protects legal entities as data subjects, the Parties agree that the SCC will apply to data relating to legal entities as well.
3. None of these amendments will have the effect or be construed to amend the SCCs in relation to the processing of Customer Data as it is subject to the GDPR.
