Information on investor protection

Preface

This Information on Investor Protection does not fully cover all aspects of the investment business and its contractual issues. This information supplements any contractual agreements between you and Vontobel Asset Management. If any contradictions exist, the respective contractual agreement will take precedence. In some passages we refer to other documents, which Vontobel Asset Management will provide to you or which you may obtain from us free of charge. In addition, you will find important details about our business relationship with you and the associated interaction and communication activities. For more detailed information please refer to our website am.vontobel.com.

1. Subscription and redemption requests and payments to be made to investors

Any investment in an undertaking for collective investment ("UCI") or any related product should only be made after reviewing the latest regulatory documents.

The prospectuses, the articles of incorporation, K(I)IDs (Key (Investor) Information Documents) and the semi- and annual reports of every UCI are available from the website and will be provided free of charge, on request. The other regulatory documents are available on request from the registered office of each UCI.

In accordance with the latest prospectus of each UCI, any investor's request in relation to the subscription or redemption of their shares and other payments can be addressed directly to their usual bank/intermediary, alternatively the request may be sent directly to the following entities:

For retail investors: Management Company & Global Distributor

L-1468 Luxembourg
Luxembourg
Email: luxembourg@vontobel.com

For professional investors only: UCI Administrator (Central Administration of the Fund), Transfer Agent and Registrar for the UCI:

State Street Bank International GmbH, Zweigniederlassung Luxembourg
49, avenue J.F. Kennedy
L-1855 Luxembourg
Luxembourg

- 2/4 Subscription applications can be sent by fax, by post or by any other communication means accepted by the administrator and must be received by the administrator, one of the UCI's distributors or any other duly appointed agent of the UCI on a business day before 3.45 p.m. Luxembourg time (cut-off time). Exceptions apply for certain sub-funds. Please refer to the prospectus for further details.

Investments in financial products may involve risk. Investors may lose some or all of their capital, as the capital in the UCI is not guaranteed.

2. Investors voting rights

Investors should note that any investor may only exercise their investor rights in full directly against each UCI, in particular the right to participate in annual general meetings, if the investor is entered in the UCI's register of shareholders themselves and in their own name. In cases where an investor has invested in the UCI through an intermediary that undertakes the investment in its own name but on behalf of the investor, the investor may not necessarily be able to assert all investor rights directly against the UCI. Investors are therefore advised to enquire as to their rights.
